

Local Items About Town

Mr. Ed Trickey spent Saturday night and Sunday with his sister in Pomona.

Mrs. Gerritsen has a very pretty kitten she would like to find a good home for.

Mrs. H. L. Miller of Los Angeles spent the week-end with Mr. and Mrs. J. C. Richardson.

Miss Lizzie Shringer of Del Norte, Colorado, is visiting Mrs. C. E. Butts on Gramercy avenue.

Mrs. Rubo's father is very ill in Los Angeles. He was stricken with paralysis a few days ago.

Mr. Kettle of Colegrove is spending a few days with his daughter, Mrs. Dick Jenkins. He says he likes Colegrove, but oh, you Torrance!

Mr. and Mrs. Hall, Mr. and Mrs. Dolley and Mr. and Mrs. Ralph Dinger attended a Christian Science lecture at Gardena Saturday night.

Mrs. Waltz, a sister of Mrs. Dolley, and her daughter, and Mr. and Mrs. R. F. Spencer, all of Ontario, spent Sunday with Mr. and Mrs. Dolley. Mr. and Mrs. McDonnal of Los Angeles were also guests of Mr. and Mrs. Dolley.

The baseball game next Sunday promises to be a most sensational affair, as it is generally understood that the pitcher for the "fats" has reduced his weight to near the 200-

pound mark and is as hard as nails and the tosser for the "slims" has taken on considerable weight and will appear in the box in the pink of condition tipping the scales somewhere around 92 pounds.

Mr. Frank M. Poucher, Sodus, N. Y., father of M. H. Poucher, one of the members of the Bachelor club, has written that he will arrive in Torrance about the first of December. Here is an example of the results secured from the proper sort of boosting for Torrance. Mr. Poucher has been provided with some literature about Torrance, but his decision to make the continental trip rest chiefly upon actual statements of truth in relation to Torrance given to him in the course of correspondence during the past few months.

The Misses Eula and Bertha Russell, accompanied by Mrs. J. Hunt, all of Los Angeles, old friends of H. M. Poucher, were entertained at dinner Sunday last by the Bachelors on Gramercy avenue. There seems to be an ingrown idea in the minds of most women folk that mere man cannot successfully handle the housekeeping problem without feminine assistance. But those who honor the bachelors with their presence go away with altered opinions. Meantime, Ivers is developing some reputation as a cook which may get him in limbo should he ever break away from his vows of celibacy.

SOUTHERN CALIFORNIA PRIZES AT APPLE SHOW

Southern California apples carried away nearly a score of blue and red ribbons in the fourth California apple show at Watsonville.

On the contest among the districts outside of Santa Cruz and Monterey county the Julian district of San Diego county was awarded first prize for its splendid display of 52 boxes of delicious King David, Black Ben Davis and Jonathan apples.

The Julian district also won the award for the biggest apple in the show. It was from the ranch of B. F. Miller of Julian. Eight blue ribbons were taken by San Diego.

Inyo county had a pretty display of its apple products from the Owens river valley. They were shown by Van Bokkelen brothers, whose ranch is at Bishop. A blue ribbon was won in every class entered by their apples. They were mostly plate displays of Jonathans, Winesaps, Pearmains, Roman Beauties, Canada Reds, Greenings and California nuggets. Ribbons were won by a display of fine apples products from the Victor valley in San Bernardino county. On their plates are Bellefleurs, Arkansas Black and other Southern California varieties.

SITE SELECTED FOR NEW STATE HOSPITAL

A tract of 305 acres near Norwalk has been purchased as a site for the new State Hospital for the Insane, which is to be erected in Southern California. At the last session of the legislature the sum of \$140,000 was appropriated for building purposes in addition to the funds for the purchase of the site. Plans will be prepared at once for the new buildings by State Engineer McClure and State Architect McDougal.

HOME HELPS

Use hot milk instead of cold when mashing potatoes and they will be fluffier.

Place the pretty china in a glass cupboard away from dust rather than on open shelves.

Hang woollens out on the line dripping wet, without wringing them at all. If dried in this way they will not shrink.

To prevent milk from curdling add a good pinch of carbonate of soda to each quart before putting it on to boil.

Try setting the lamps in a cupboard during the day instead of on an open shelf and see how much longer they will keep clean.
